

THE CENTER FOR CONSERVATION LEADERSHIP

Application Questions

Student Name: _____ **Date:** _____

We want to know who you are! Think carefully about your personal answers to these questions. Write as completely as you can. Please attach a separate piece of paper and submit your answers in typed format.

1. Please let us know why you want to participate in the Center for Conservation Leadership Program.
2. Tell us about your interest and involvement with nature and the outdoors.
3. Tell us about your leadership experience, specifically a time or situation when you stepped up to lead a group, family, friends, classmates, etc.
4. CCL is more than just a three-week summer experience. It extends into the school year as you work on a service project in your own community. Please comment on your ability to fulfill this requirement.
5. Please tell us about a service project or volunteer opportunity that you have had.

If there is anything else you would like us to know, please feel free to include this additional information on another sheet.

I certify that the above answers are written by me.
