T-shirt size (adult):

Small Medium L XL XXL

The applying student should complete the questionnaire that follows. Be honest and answer each question in detail.

1. Why do you want to attend the Conservation Explorers Program?

Conservation Explorers Program
Student Application Form
Summer 2020

**CONSERVATION
EXPLORERS**

2. What are your favorite subjects in school? Why?

3. Do you like being outside and spending time in nature (with plants, insects, etc.)? Why?

4. What do you think you will get out of this program?

5. Give an example of a time when you were part of a team and tell us about the role that you played.

I certify that the responses above are my own and written by me.
