OF SPRING

A Ladybug or Insect

A Tree with  
New Leaves

Birds Singing

A Robin

# Complete the following spring activities...

1. Listen for different bird calls and count how many different ones you hear.
2. Move along the trail by... hopping like a rabbit, leaping like a deer and stalking like a fox.
3. Look for animal tracks in the mud. What did you find?
4. Find something that smells good.
5. Look under a log. What did you find?
6. Find different textures in nature... Can you find something soft? Something rough? Something smooth?
7. Find something beautiful and draw it here.

*Think Outside™*
